### 1. Development Projects:

Site	County	Development	Costs
Blackfoot Reservoir Caribou (Utah Beach)		No further progress.	
Daniels, Deep Creek Oneida Reservoirs		No further work has been done at these sites. However, Devil's Creek Reservoir has been identified as a site needing permanent toilet renovation and we have requested \$5,000 for that project.	
		Total Costs	\$0

### 2. Renovation Projects:

Site	County	Renovation	Costs
Condie Reservoir	Franklin	Monitor use of new access. Install signage and barricades to control traffic.	500

Site	County	Renovation	Costs
Chesterfield Reservoir	Caribou	The new facility received heavy use in 1995 and some problems developed with vehicle congestion in the ramp vicinity. Also, due to high water levels in the reservoir, traditional parking and camping use spilled onto private property, creating friction with neighboring landowners. We worked with the Regional Landowner Sportsman Coordinator and the Regional Fisheries Manager to alleviate these problems. Met with landowners and regional personnel and installed additional signage.	1,000
Pingree-Snake R.	Bingham	We have continued to work with Bingham County to reactivate this site. Additional fencing has been placed to separate private operations from the public access. Signing has been purchased to direct the use of the area. Considerable man hours have been expended countering the efforts of a neighbor to stop the project (separate funding).	1,500
Total Costs			\$3,000

#### OPERATIONS AND MAINTENANCE

Public boating access areas were maintained in all counties in the Southeast Region through cooperative agreements with each of the seven counties. A separate maintenance agreement is in force with five of the counties by which the Department cost-shares on routine maintenance and portable toilet rental. Signs have been inventoried and replaced in cooperation with the regional highway district office and county highway departments.
